

pouring sun

this book don't always turn out good for everyone
we mostly done the best we could by everyone
yeah i just want to live my life
with everyone
not fight with everyone
like most everyone

and see you
laughing in the pouring sun
wanna see you
laughing in the pouring sun

i sat outside and watched the
moonrise
the mountain smiled with a
winking eye
but all i saw was the
sun in the night
the moon shining bright
i saw you plain as light

i saw you
laughing in the pouring sun
i saw you laughing in the pouring sun

some people every day
they're running all the time
well that may be ok
but i just lose my mind
'cause there are times i just
fall off the pace
stare into space
gone without a trace

i'm with you
laughing in the pouring sun
i see you
laughing in the pouring sun
